Exceptional Estate & Letting Agents

# Local Area Guide Sutton & Cheam

## Welcome...

As your local estate agent, we thought it might be quite nice to introduce ourselves and share some of our local knowledge.

Today, Sutton and Cheam (formerly Surrey) is a vibrant, bustling town. It is one of the greenest and safest areas in London with high levels of employment and home to some of the best schools in the country. There are over 250 retail outlets within an attractive pedestrianised shopping environment and pavement cafes and bars. Sutton is well served by public transport with direct links to central London, the major airports with close proximity to the A3 and M25 motorway, making for an attractive and popular place to live.

HomeXperts are a new and vibrant agency who are changing the face of the traditional estate agency with a commitment to doing things better.

We offer a superior service to all our clients, including both buyers and tenants and use the very latest in technology to market our high quality property presentations on all the leading portals such as Rightmove, Zoopla, Globrix and social media sites such as Facebook.

Having lived in the London borough of Sutton for many years, we bring local knowledge, an enthusiasm for professional excellence and a passion to provide clients with an exceptional personal service. We aim to fully understand our client's requirements so that we can deliver on their expectations. Our staff are professionally trained and continually kept up to date with changing legislation.
